Features

Same Day Shipping

It is the new standard.

In today's world ecommerce stores are benchmarked by their ability to ship orders on time. Same day shipping is now industry standard. At snapstics we are committed to keep your business in line with the industry. Any orders that will be received in our system by 2PM will be shipped on the same day. This applies to business days only.

2-5 Days Delivery

Compete with the big guys.

Majority of big ecommerce players are offering free shipping. You should too. Join Snapstics and deliver every order with in 3 to 5 days in contiguous United States at the cost of UPS Ground. Keep your customers happy by delivering their order before they expect it.

Customer Portal

State of the art Customer Portal

Powerful Software. Powerful Logistics. We are proud of our development team. They have done fantastic job creating Snapstics customer portal. When we studied the market, we realized many order fulfillment companies lacked good software application for their customers. Our customer portal allows you to manage your products, orders, inventory and much more. We have created intelligent reports that allows you to see how we are performing on your orders.

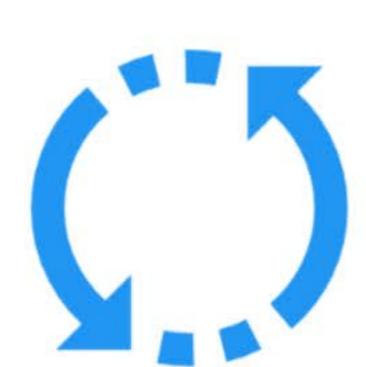

Transperent Pricing

Simple Pricing. Happy Customers.

Majority of our prices are listed in our pricing page. We don't believe in customers have to call us or wait to receive our pricing. We are all for transparent pricing. Simply sign up and start shipping. Our simple pricing model gives you your bottom line so you can price your products better. No more hidden charges, no more headaches.

Easy Returns Processing

Returns are not scary anymore.

No heavy charges for return processing. We understand that once in a while you may have to process your customer's returns. When such situation comes, our return process is extremely simple and cheap.

24/7 Support

Call Us. Anytime

We have dedicated staff available via phone 14 hours per day and Live Chat 24/7. They will help you with any issues you may have with your orders or shipment. They will also be able to guide you with customer portal if you encounter any road blocks. We understand that in urgent issues it doesn't make sense to send an email and wait for an answer. Our 24/7 Support is available at no additional charge.

Integrations

Major Shopping Carts. Covered.

Stay on top of your ecommerce game using our seamless integration. We offer integration to majority of carts including Ebay, Magento, Shopify, and WooCommerce and many more. In most of the cart we can automatically fetch your orders, update inventory and push tracking numbers. Call us to inquire about any particular cart or functionality.
